**Release Notes:**

Alec Troniq completes his impacting Uncrufter trilogy with model number 3000. After the formidable success of Uncrufter 1000 and 2000 with tracks like "Fin's Lampenladen" and "Fauxpas" he ignites his final purge.

With "M100" on A-Side a strrooong earcatcher steamrolls you, suitable for House, Techno and Electro sets equally. "Thanks Bob" on B1 associates high energetic pumping grooves with a catchy bounce. On B2 powerful "Prima!" is fancy stomping in high spirits.

Again Alec Troniq assures sustainable prevention against any run-of-the-mill with an abnormal, melodic but crowd rocking drive.
