Spotlighting on mainly melodic and reduced Techno Music the Label presents Mentalic from Dresden on their first release (well-known from several output on Etui Records). B-side track is a total "Kat-a-strophe" - jacking, frickeling beats are storming the whole floor to turn it into mayhem. The remix is coming from the italian Abnormal Boyz who are getting more & more famous with releases on Splitsound, Frankie Records or their newly founded label Schatten.
