RELEASE INFOS:

After MICRO001s promotional mp3-Mailout was done the Label received loads of good feedbacks – especially Gabriel Ananda (Platzhirsch, Karmarouge) was flashed and sent a Remix Request. Both parties dealt out a collabo remix from Gabriel and his buddy Dominik Eulberg (Traum, Cocoon) . The result is an epic 12 minute mix with a huge driving bassline. B-side comes up with a licenced track from Hydrotic Records, Darmstadt. Newcomer Alex Hasten presents a tune with massive potential to become a real floorfiller for the end of 2008.
