Release Notes:

After a few remixes for Armut24 and the famous german electro-pop group Northern Lite we are proud to have Lexy (this time without K-Paul) and Gunjah back on the floor. Massive Release with 3 different but 4-2-the-floor tracks. Moenstertape is (as the name says) a real monster tune – made to burn all the big floors. Woenderlamp is a great tool with portions of ethno-indian vocal cuts added with an excellent groove to make all the ladies shake what they have. Moensterfreak is sick, ill and more with crazy sounds and mad cutted beats – just listen yourself and decide what you like best. Early support by Karotte, Housemeister, Heinrichs & Hirtenfellner. „Wøenderlamp“ allready licenced to SonneMondSterne 2008 Mix-CD.

Support Infos:

Played & supported by Stephan Bodzin, Karotte, Housemeister, Heinrichs & Hirtenfellner, Thomas Schumacher, Dj Hell, Solomun, Afrilounge, Namito, Lars Sommerfeld and David K
