Release Notes:

It's been a while since Microtrauma dropped their debut EP for Microtonal – but the duo wasn't that lazy !!! Remixes for Traum, Firefly UK and Mangue Records were done and shaped the definition of their sound. And "Spinal EP" finally is the result – three hard and up-building techno tunes hitting all your cells and nerves.

Support Infos:

Played & supported by Paco Osuna, Stephan Bodzin, Marc DePulse, SQL, Anderson Noise, Electric Resue, Max Cooper and many more.
