**Release Notes:**

Microtonal presents a special release in a special format. Hybrid Vinyl is one side picture Vinyl – the other side normal black Vinyl. „Great Love“ is one of these amazing OpenAir tunes everybody can sing & dance to. That's why we release it as a special edition with a special handmade graphic by custom clothing specialist Bobsmade. To round the record up we present clubby remixes by our Homies Alec Troniq, Microtrauma and Newbie Felix Bernhardt (Afu Lab). We really hope you enjoy this one as much as we do – the Festivals are coming !!!
