Release Notes:

Gaining more and more success over the past 2 years, Marvin Zeys has become one of the scenes upcoming ones to watch for sure. Releasing on some of the biggest labels out there, it was no accident Beatwax label-boss Homebase signed him for their 7th release. Already being remixed by names like Maya Jane Coles, Simon Baker or Shur-i-kan, Marvin Zeys' productions are nonetheless something you shouldn't miss in your collection.

With Marvin Zeys , Homebase and Markus Homm (Diyamic, Highgrade, Ostwind)both being from Nuremberg themselves - just like the label, this is an all-in-all Nuremberg release! And as you can hear, this formular worked out very well.
