Release Notes:

With this album again, Alec Troniq shows his love for detailed composed sounds. His unconventional arrangements already rocked our world on Passengers (ETUI 008) and other releases on his Ipoly Label and on Microtonal (Chemnitz). The title track was supported by the Boogie Duo "2Hot" (Mario Meusel & Christian Schöbel). Guitars, banjos and a cajon worshipping Cataract Four the summer spirit and melt into a late summer hymn. Nico Grubert (Zürich) gives this song his special signature, just as to his remixes for Lexy, Christian Fischer and others. He wraps it with atmosphere and a dry and pure beat foundation. Ladycow Boy is the minimal addition for all the partypeople that don't want to go home in the morning.
