Release Notes:

Finally and after several digital only releases kaato music releases its first vinyl release, and this one comes with 4 amazing productions by some of the most talented techhouse producers from Germany and Austria. On the A side Mr. Ken Hayakawa introduces himself with Drum Kitchen, a peaktime techhouse rumbler, and Silent Fall showing his outstanding feeling for melodic and sphaeric arrangements.

On the flip there are Kasprowicz & Morgenklang from the Ruhr Area with absolutely untypical Ruhr sounds. In The Club is a shaking houstune and ready to rock the floors in Spring- and Summertime, already gaining support from Ricardo Villalobos, Loco Dice and many more. Oh yeah, and there is a stunning Teardrop Remix by Vincenzo, turning the EP to an even bigger must have.... what more can you expect?
