RELEASE INFOS:

4 – 2 – 1 GO! for MANGUE records. This new label is coming from germany with a bang. First release, called "le fruit tropical ep" is making it's way to the dancefloor already. Tracks done by Black Vel and Mr Fabian Schumann are teaming up with additional remixes, done by Ron Flatter and the guy called Terrik Mode. Starting up first is BAL CHAMPETRE with an up-to-date minimal sound and very good percussion part. Terrik Mode remix is cooling it down a bit but is grooving nonetheless and will make them hips move.

The second track LEVER DU SOLEIL is more bass driven and sounds like a funky little rocker. Hands Up! Everybody. It's no rave, but it sure will kick your peakttime floor. Last track comes from Ron Flatter who again takes it a bit more relaxed, adding nice breaks and still keeping it down to the floor. Good One.
