Release Notes:

"Around" might come as a surprise for many club-heads as Noir usually produces club tracks and is now moving into the "electronic songs" area. This is the 1st single taken from a full-length album coming in 2012 incl. some of the world's most talented singer/songwriters.

On "Around" Danish Noir teamed up with Malaysian Haze for this heartfelt piece of music. Haze might be best known for his work with people like Sandy Rivera, Nic Fanciulli and Danism and he proves his talent for creating emotional and melancholic vocals.

Solomun is a genius when it comes to sexy club music. This remix is already rated one of his best to date and perfectly reflects his flair for the sub-heavy downtempo funk and club-feel. Expect the cool underground clubs to have the Solomun remixes running for the entire summer season 2011.
