Release Notes:

we are proud to welcome Polar Records.

This label is a product from the famous Cosmopolar Club (based in Erfurt, Germany) who wants to present their residents & friends. Polar001 was the formerly known OPENDOORS001 – so this is the official debut release by Raycoux & Stefan with remixes from workaholic Beatamines and Fabian Reichelt who just released his debut Album as MARIAN (together with Marek Hemmann).
