#### Release Notes:

Bettina Striegl worked with many crazy and fresh ideas on her own sound. She's creating her personal music-microcosm. The Main title, which is called "Weltenbastler" drives you with it's sound to dance and move. The "Wayne Harber Remix" is quite different. With a typical Soundmix from his home in South African and his new residence in Vienna! Only special, only other! Finally the Track " Wildwuchs". comes along with deep and crazy notes of Bettina Striegl sound. "Weltenbastler - is a very successful publication of a new producer. It is like the crazy mind of Bettina Striegl.
