Release Notes:

We are very happy and proud to announce Yippiee's fourth release. Your dudes from Hannover, Filtertypen and Benny Ferkel just signed five great new tracks for the upcoming indoor season, but for sure they will work also just excellent for the last open air events as well.

The YIPPIEE004, as every release by Yippiee, again is a Hannover based production. Yes, even if you didn't know Mario Aureo, the only bird that has flown away and now has his nest in Berlin is from Hannover as well as Chris Lattner who was born near our wonderful homepage.

With the "All Night Long EP" Mario tried to do a record with different tracks for every part of a long lasting night. The Track "Under Pressure" is a digital bonus, but the vinyl itself will show you Yippiee's and especially Mario's point of view for the night in a deep and groovy way.
